

# Building More than a Reputation

## High Country Bank - Buena Vista Branch

**Owner:**  
High Country Bank Corp.

**Architect:**  
Lee Architects

**Location:**  
Buena Vista, Colorado

**Size:**  
8,800 Sq. Ft.

*High Country Bank's second branch in Buena Vista was designed to make a statement. This facility incorporates massive arched timber trusses, stone fireplaces, granite and hardwood trim and high-tech banking equipment. DSI has built a very strong relationship with High Country Bank and their principals. This project is an excellent example of a strong owner, architect and general contractor team.*
