

Building More than a Reputation

Salida High School

Owner:

Salida School District

Architect:

The Blythe Group

Location:

Salida, Colorado

Size:

91,110 Sq. Ft.

Final Construction Cost:

22 Million

Project Completion:

August 2012

This brand new, 91,110 Sq. Ft., two story high school will include twenty-two classrooms, auditorium, two gymnasiums and locker rooms. New data/phone technology systems, video communication, door access control, and security camera system will be included in this project. Salida High School is being constructed as part of Colorado Department of Education's Best (Building Excellent Schools Today) Program. This project is targeting LEED Gold Certification.
