

# Building More than a Reputation

## Crestone Charter School

**Owner:**

Crestone School District

**Architect:**

Harry Teague Architects

**Location:**

Crestone, Colorado

**Size:**

14,463 Sq. Ft.

**Final Construction Cost:**

3.8 Million

**Project Completion:**

July 2012

*This brand new 14,463 square foot, two-story school will include an elevator, seven classrooms, a music room, multi purpose room, kitchen, administration area, mechanical room, etc. New data/phone technology systems, video communication, door access controls and security camera system will be included in this project. CO-CHPS Verified Leader certification will be required. The project was designed using state of the art mechanical systems that approach a net zero energy usage. This was achieved with a 10 KW P.V. Array and a solar hot water heating system. The school district will move into the new facility in the summer of 2012.*
